Greetings Friends and Members!

I have some exiting news! Many of you have a favorite artist in our Club that you are drawn to, whether it is because of their landscapes, realism, abstracts, or expressionist style of art. Well, this month's featured artist at Brick City Gallery is known for her whimsical and impressionistic style of acrylic painting, **Arlene Brencsons**. Stop by our oasis of a gallery and pick out your favorite painting!

Other exiting news is that we switched out about one third of the Gallery last weekend and introduced four new artists and 90 new pieces of art. Visit us at 507 N. Steele St., #211 (in the historic Mann Center), Sanford NC.

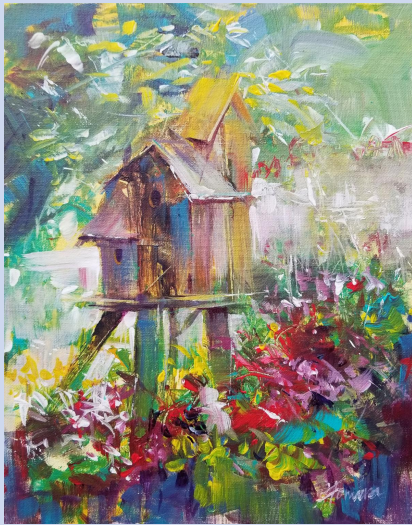

This **Friday, March 7**, Brick City Gallery is open from 6:00 - 7:30, prior to the special event, **Shamrock Shindig**. So come early for the concert, stop in the Gallery and find a piece of art you cannot live without. It's waiting for you!
